The 5 Step Process for Record Cleaning

Step One: Submit Questionnaire and Submit a Copy of all Case Files

Complete the Confidential Record Cleaning Interview Questionnaire and submit the entire District Clerk or County Clerks file for each case you wish to clean off your record.

Step Two: Record Retrieval Service: \$150.00 per case

Often you do not have the copies of all files needed to properly assess your case. If you discover this during step one, we provide record retrieval service. The record retrieval is a complete and thorough background check of your name so that you can see what it actually reveals. The Record Retrieval service includes: A copy of your Texas DPS criminal history conviction record, a public web based criminal name search in 43 states, a typical employer background check and a copy of the actual case file that you believe needs erasing.

Step Three: Case Evaluation with Mr. Garcia: FREE

A conference is scheduled with Gilbert G. Garcia to discuss your background check, the

facts of your case and to develop a solution to clean up your record. For your convenience, the conference can be accomplished in-person, by video-conference or via telephone.

Step Four: Select the Strategy that's Right for You & Execute a Contract. Prices vary  
The contract authorizes us to proceed to file suit to get your good name restored to you.

Step Five: Freedom

A clean record and a new lease on life.
